Course Overview: Core Curriculum (2026 Syllabus)

The Advanced Certificate in Customs Brokerage moves beyond operational basics to focus on the legislative requirements, international agreements, and complex tax structures that govern global trade. Mastery of this curriculum prepares candidates for senior compliance roles and licensing examinations.

MODULE 1: LEGAL & REGULATORY FRAMEWORKS

WEEK 1

Brokers Legislations: In-depth analysis of national and international laws governing the role, responsibilities, and liabilities of a licensed customs broker.

WEEK 2

Prohibition & Restrictions: Navigating the legal landscape of restricted goods, dual-use items, and prohibited imports/exports.

WEEK 3

Past Exam Papers: Applied legislative review using historical examination materials.

MODULE 2: TARIFF CLASSIFICATION & VALUATION

WEEK 1

Classification & Tariff: Advanced application of the Harmonized System (HS) code for accurate duty assessment.

WEEK 2

Valuation: Mastering the WTO Valuation Agreement principles to determine the correct customs value for imported goods.

WEEK 3

Tax Exemptions: Criteria and documentation required for securing legitimate relief from duties and taxes.

MODULE 3: TAXATION AND FISCAL POLICY

WEEK 1

Value Added Tax (VAT): Complex calculations and application of VAT rules in a customs context.

WEEK 2

Excise Tax: Specific regulations and computation for goods subject to excise duty (e.g., fuel, alcohol, tobacco).

MODULE 4: INTERNATIONAL TRADE AGREEMENTS & COMPLIANCE

WEEK 1

WTO Introduction to Trade Facilitation Agreement (TFA): Understanding the global push for streamlined customs procedures.

WEEK 2

WTO Understanding Trade Facilitation: Implementing measures to expedite the movement, release, and clearance of goods.

WEEK 3

Rules of Origin: Determining the national origin of products for preference claims under trade agreements.

WEEK 4

CARICOM Trade Agreements: Specific focus on intra-regional trade protocols, common external tariffs, and simplified customs documentation within the Caribbean Single Market and Economy (CSME).

MODULE 5: SPECIALIZED PROCEDURES & EXAMINATION PREPARATION

WEEK 1

Transit & Transshipment: Legal and operational procedures for goods moving through a jurisdiction without entering home consumption.

WEEK 2

Past Exam Papers: Intensive final review and practice sessions using past examination papers to prepare for certification exams.
