Target Audience	6
Learning Outcomes	6
Prerequisite	6

Course Overview: Core Curriculum (2026 Syllabus)

The Intermediate Certificate in Customs Brokerage provides an in-depth look at the regulatory and operational frameworks of coastal and international trade. Participants will transition from foundational concepts to technical mastery of cargo handling and digital customs systems.

MODULE 1: AGENCY FOUNDATIONS

WEEK 1

Introduction to Coastal Trade: Understanding the legal and operational frameworks for local maritime movement.

WEEK 2

Forms of Shipping Agency: Exploring the various agency structures and their legal obligations.

WEEK 3

The Agency as a Carrier: Specialized workflows for Bulk Cargo vs. Multi-Item Shipments.

MODULE 2: SPECIALIZED AGENCY OPERATIONS

WEEK 1

Agency Consolidator (Commercial): Managing LCL (Less than Container Load) shipments and containerized cargo logistics.

WEEK 2

Agency Consolidator (Personal Effects): Specific protocols for handling non-commercial goods.

WEEK 3

IMS Preparation: Technical preparation for personal effects via ASYCUDA SYSTEM

MODULE 3: CUSTOMS & DIGITAL DOCUMENTATION

WEEK 1

Electronic Single Window (ESW): Hands-on training with unified digital platforms for trade facilitation and automated LICENSES & PERMITS.

MODULE 4: WAREHOUSE MANAGEMENT & CARGO FLOW

WEEK 1

Introduction to Private Warehousing: Legal requirements and operational setups for private storage facilities.

WEEK 2

Goods Entry/Ex-Warehouse: Procedures for the intake and release of bonded and non-bonded goods.

WEEK 3

Warehouse Transfers: Mastering the legal documentation required for the Transfer of Goods between Warehouses.

Target Audience

- Shipping clerks, logistics coordinators, and customs brokers.

Learning Outcomes

By the end of this course, candidates will be able to:

1. Navigate the Electronic Single Window for seamless cargo clearance.
2. Manage the legal liabilities of an agency acting as a carrier.
3. Supervise the movement of goods into and out of private and bonded warehouses.
4. Consolidate diverse cargo types, including commercial bulk and personal effects.

Prerequisites

- Introductory Certificate in Customs Brokerage or equivalent professional experience.
